WORLD PARLIAMENT OF THE PEOPLES FOR PEACE
(Sofia, September 23-27, 1980)

COMMISSION: PEACE AND SECURITY IN ASIA

Resolution on East Timor

The World Parliament of the Peoples for Peace extends its full support to the people of East Timor in their heroic struggle against the occupation of their country by the Indonesia regime. It condemns the aggression against the Democratic Republic of East Timor and the policy of genocide carried out by the Indonesian military occupation forces against the people of East Timor.

The World Parliament of the Peoples for Peace demands the immediate withdrawal of the Indonesian occupation forces from East Timor according to the resolutions of the United Nations, and the decisions of the Fifth and Sixth Summits of the Non-aligned countries held in Colombo and Havana on East Timor.

It appeals to the peoples of the world to mobilise political, moral and material support for the struggle of the people of East Timor and their legitimate representative, the Revolutionary Front for an Independent East Timor (FRETILIN), for self-determination and independence. It calls on them to observe a Month of Solidarity with East Timor in December 1981.
